

# Betsy Thompson Chosen Tuesday As Best Dressed Coed at MSC

Betsy Thompson, a junior from Cainsville, Mo., has been selected MSC's Best Dressed Coed.

Miss Thompson and seven other finalists modeled three outfits Tuesday evening for 10 judges and the public audience. Phyllis Aebersold, Oregon, was chosen first runner up, and Jonnelle Schrier, Maryville, was chosen second runner up. Other finalists were Donna Burns, Ellen Hamilton, JoEllen Jobusch, Anne Morgan, and Pat Shradel.

Harold Webb described the garments worn by the contestants as they modeled outfits in three categories: campus wear, dress up ensemble, and evening gowns. Linda Workman, pianist, played background music for the contestants as they modeled. Jack Briggs, vocalist, and Webb provided entertainment while the judges made their final decision.

Miss Thompson modeled a sport suit of black and white checked wool for the campus wear section. For her dress-up ensemble she wore a matching coat and two piece dress of bright gold which she made herself. The material used for the ensemble was a prize which she received in the national "Make It Yourself With Wool" contest. Her evening dress was a dark olive green velvet floor length gown.

During the final appearance, each contestant was asked one

Betsy Thompson

question. Miss Thompson was asked, "If you received a low grade which you did not expect in a course, what would you do?" She gave the following answer:

"If I were to receive a lower grade than I felt I deserved, I think I would probably first go back and look at all of my test grades and papers and then I would look through the homework papers I had turned in and see if it was I who was in the wrong. If I still felt that I deserved a higher

grade, I think I would then analyze my class participation and attitude toward the class. Then I would analyze my attitude toward the teacher, both in the classroom and outside of class.

After I had analyzed all of these things and if I still felt that I deserved the higher grade, I'd probably first go and talk with my instructor about this to see if he could explain the reason for my low grade. If he couldn't give me a good reason and the grade I had received was terribly low, then I would probably ask him if he would accompany me to the office of the dean of administration to see if the grade could be changed."

Miss Thompson is a vocational home economics major and has a cumulative grade point average of 3.31. She is a member of the Alpha Sigma Alpha social sorority, Home Economics Association, UCCF, and is co-chairman of the 1968 Religious Emphasis Week.

Miss Thompson will now be entered as Northwest Missouri State College's representative in Glamour magazine's national "Ten Best Dressed Coeds" contest. For her entry, Miss Thompson must write a commentary of not more than 1,000 words on the evolution of her fashion taste. Three full length photographs of Miss Thompson and an entry form will also be sent to the Glamour office in New York City.

## NORTHWEST MISSOURIAN

NORTHWEST MISSOURI STATE COLLEGE

Vol. 27, No. 25—Maryville, Missouri, February 23, 1968

## Dean's List Cites 193 For Semester Honors

The dean's honor roll for the first semester includes 193 members, with 39 listed on the "A" records.

Those students having a 4.0 grade point average are Linda P. Campbell, Judy O. Combs, Kirk G. Daddow, Margery F. Darveaux, Connie L. Davis, Carol R. Easterhaus, Patricia E. Gere, Nona I. Hayward, John L. Jackson, Mary A. Lumm, Marilyn F. McCullough, Gary D. Meers, Robert W. Morriss, James R. Nelson, Janet F. Newman, Terrell A. Olenhouse, Larry K. Parman, Mardelle L. Parrish, Martin L. Peterson, Shirley S. Pierce, Janila K. Porter, Ellen K. Stalling, Patricia Tiberghien, Jane D. Williams, and Margaret Wunderlich, seniors; Ann A. Collier, Mary J. Hagan, Elizabeth R. Hunter, Victoria L. Hanna, and Nancy J. Pickett, juniors; Diane K. Bergren, Nancy J. Duncan, Lawrence W. Lumm, Nancy A. Miller, and William V. Walker, sophomores; Nancy M. Bush, Richard A. Gayler, Kathy S. Hampel, Nancy K. McGuire, and Katherine K. Wagner, freshmen.

Students having a 3.5 or above grade-point average for the first term are seniors, Maribeth Annan, Carolyn J. Bachman, Dean F. Barnett, Christie L. Beal, David F. Blunk, Dean E. Bovaird, Cynthia B. Brock, William J. Chalmstrom, Tung Chian Chen, Barry W. Clark, Cheryl J. Clarke,

Judith A. Climie, Michael R. Corbett, Linda R. Dawson, Roberta M. Duffett, Helen M. Duvall, Sandra C. Eckhoff, Joyce E. Edwards, Kay E. Elder, Richard C. Ellis, Louie T. Gaudio, Max A. Goodvin, Shirley A. Graeff, Laura E. Hamilton, Phillip R. Hansen, Bernadine R. Hardisty, Sharon S. Hayden, Margaret A. Hays, Linda S. Hoffmeyer, Barbara A. Hoover, Ronnie L. Howitt, Neil C. Jones, Linda L. Koehler, Barbara L. Laur, Michael Lee, Lavera Malone, Russell E. McCampbell, Margaret N. McCarty, Beatrice W. Moles, Marlene R. Morris, Judith A. Palumbo, Marlus D. Paulsen, Glen A. Pedersen, Patricia A. Plummer, David L. Rhode, Donna J. Ring, Martiena Rosmolen, Martha J. Sherard, Rada D. Shreve, Dennis R. Sleister, Richard G. Smetana, Darrell R. Spain, Robert S. Taylor, Edra C. Thompson, Michael D. Thomson, Lynne W. Waldron, Cheryl F. Wilson, and Marilyn S. Wilson.

Juniors, Carol S. Andersen, Judith A. Asmussen, Barbara E. Barton, Marilyn K. Bowland, Carol J. Bradley, David W. Bray, Linda D. Britt, Linda S. Brown, Marilyn K. Bryan, Carolyn A. Bunn, James W. Collins, Wanda L. Culver, Diane E. Didlo, Marcia M. Hensleigh, Carolyn K. Hoffman, James B. Juhler, Richard H. Leazenby, Richard M. Lesan, Hilary M. Lewis, Jo

(continued from Page 5)

### ESP Lecture Monday

## Noted Parapsychologist Coming to Campus

Russ Burgess, world renowned parapsychologist, will give a lecture on "Extra Sensory Perception" at 4 p. m. Monday in the Union Ballroom.

Mr. Burgess, formerly of the Department of Justice, will combine a demonstration with his talk. In the latter he will read the unspoken thoughts of others, while the former will necessitate audience participation. Both should bring everyone attending the lecture under the spell of ESP, according to advance information received on campus.

Parapsychology includes not only ESP but also telepathy, thought control and precognition. Mr. Burgess displays his confidence in ESP by sending, one week before the performance,

the headline that will appear in the paper above this story. This and other incidents bring the program to an exciting and dramatic conclusion.

This lecture is one of the series of "Topics of Our

Times" presented by the Union Board Program Council. Stan Wright is chairman of the event.

The next scheduled program is a film on apathy, a generation without a cause.

### For Social Scientists Examination Scheduled

The social science comprehensive examination will be given in Room 314, Colden Hall, beginning at 8 a. m. Mar. 9.

Students who have never taken the test are required to fill out a form obtainable in Room 307, Colden Hall, and return it to that room or to Mr. James Hurst, social science instructor. Students who have already completed this form are to check with Mr. Hurst to determine areas requiring re-takes.

Students should either fill out the form or confer with Mr. Hurst before Mar. 1.

## Mrs. Kay Kesterson to Give Senior Vocal Recital Monday

Dee Decklever, accompanist, and Kay Kesterson, soloist, have just completed another rehearsal in preparation for Mrs. Kesterson's senior recital.

Mrs. Kay Kesterson will present her senior recital at 8 p. m. Monday in the Charles Johnson Theater of the Olive DeLuce Fine Arts building.

The soprano vocalist, accompanied by Mrs. Dee Anne

Decklever, will present three groups of selections. The first group includes "Spirate pur spirite," by Donaudy; "Lungi dal caro bene," by Sarti; and an aria from the opera La Boheme, "Si mi chiamano Mimì," by Puccini.

Sherry Cook, bassoonist, will present a selection in three movements, accompanied by Dianne Mannasmith.

The second section of Mrs. Kesterson's recital is composed of three French songs: "Ouvre tes yeux bleus," by Massenet; "Extase," by Duparc; and "Villanelle," by Berlioz. Richard Bateman will present an oboe selection, accompanied by Miss Mannasmith.

Three English songs will conclude Mrs. Kesterson's recital. She will sing "Ah, Michele," Menotti, from the opera "The Saint of Bleeker Street"; "When Slim Sophia Mounts Her Horse," Duke, and "The Green Dog," Kingsley.

## Chairmen Named For Union Council

Linda Snell, Mary Jo Jansen, and Mike Miller recently were chosen as new committee co-chairmen of the student Union Board Program Council.

Miss Snell assumed the duties as co-chairman of recreation; Miss Jansen, special affairs; and Miller, arts. The members were selected following individual interviews by the executive council and sponsors, plus recommendations based on their ability to help plan and coordinate committee events. Selection was also determined by the students' genuine interest in Union Board and in providing entertainment for MSC.

The new co-chairmen will fill the vacancies which occurred because of several changes. Because of student teaching assignments, Ken Bassett and Linda Sue Hoffmeyer assumed the positions of senior advisers. Bob Burrell, vice president in charge of finance, and Julie Seipel, vice president in charge of secretarial affairs, replace Bassett and Miss Hoffmeyer as executive members. Ed Lambricht, executive vice president, and John Price, president, will retain their respective positions.

These changes have created several additional openings on Union Board committees. Anyone who has a genuine desire to join the Board and have an overall 2.00 grade point average is invited to fill out an application form in the Union Program Council office.

Other committee co-chairmen are Jan McRae, recreation; Hila Rankin, special affairs; Mary Asbell, arts; Steve Conner and Karen Halbert, relations; Stan Wright and Jim Gay, education. Miss Karen Licklider and Mr. Robert Dickey are the Union Board sponsors.

## Union Board Plans for Annual Walk Out Day

The 52nd annual Walk Out Day is being carefully planned by the Union Board to provide MSC students with an enjoyable day for all.

According to Bob Dickey, Union director; John Price, Union Board president, and other board members, this eventful day will begin with the ringing of the Class of '48 Tower Bell, signaling students to walk out of their classes. The scheduled morning events include either a battle of the bands or a folk Coffee house in the Union Den.

Traditional men's games will take place, such as a greased pig contest, log-rolling contest, and canoe jousting on the college pond. Women's games will include a greased pig contest with a smaller pig, tug-of-war contest, and canoe racing. For couples, a pie eating contest is scheduled. A barbecue, sponsored by the cafeteria, will follow morning activities.

The main afternoon event will be the "Brothers Four" concert to be held in Lamkin Gymnasium. By popular demand, this group is being brought back to MSC for another Walk Out Day. "The Music Projection" of Minneapolis will provide music for the evening dance in Lamkin Gymnasium.

Walk Out Day was once signaled by the blowing of trumpets. One of the first times it was sponsored, the students' reaction was rather inert. Approximately 200 students were brave enough to walk out of their classes!

## 'Ambassador' to Speak To 'People to People'

Robert Foster III will be the speaker at the next People to People meeting to be held at 7 p. m. Monday.

Foster will relate his experience last summer when he served as the MSC representative to Holland in the Experiment in International Living Ambassador program.

The meeting will be held in the Hawthorne Room of the Student Union. All interested people are invited to attend.

## SDS Constitution Withdrawn; ESP Laws Go to Committee

The Students' for a Democratic Society, SDS, has withdrawn its constitution for approval by the MSC Student Senate.

President Tom Frank opened the Feb. 15 meeting by reading a letter he had received from the proposed organization's president, John Henderson. The Senate had set the meeting for a final decision of the student organization.

Frank asked the Senators to save material they had compiled on SDS for future reference.

The ESP Club, also considered for acceptance, had three sponsors present. Those faculty representatives present, along with student promoter Ken Redick, were Mrs. Bettie Hughes, Mr. Robert Dawson, and Mr. Richard Landes.

Senators had no objections or further questions. The ESP

constitution will go to committee for final approval.

In other business, Senator Linda Shell proposed scoring procedure revisions for Who's Who selections. The revisions approved include the following: additions to the point system: 5 points for Greek editor of the Tower; 1 point, captain of cheerleaders; 7 points, editor of Missourian or 5 points each for co-editors; 6 points, managing editor of Missourian or 4 points each for co-managing editors.

The Senate discussed a planned district convention of Missouri Intercollegiate State Legislature to be held at MSC. There is no chapter of the organization now on campus. Senator Richard Burk asked for a copy of the state constitution for the Senate to review.

Discussion on discrepancies in the Student Handbook and the appointment of a Senate parliamentarian ended the meeting.

## Major Kysar Chosen For Further Training

Major Alverado F. Kysar Jr., a 1954 graduate of MSC and a member of Sigma Tau Gamma, has been selected to attend the Command and General Staff College, Ft. Leavenworth, Kan.

Major Kysar served with the 10th Combat Aviation Battalion in Vietnam from June 1966 to June 1967. He has received the Distinguished Flying Cross, Bronze Star Medal, Air Medal with "V" device and three Oak Leaf Clusters, and the Army Commendation Medal with "V" device and one Oak Leaf Cluster.

Major Kysar, son of Mr. and Mrs. A. F. Kysar, Jackson, Miss., is presently assigned to the Aircraft Management and operations Center, Ft. Rucker, Ala.

## Ronald Bunting Killed in Combat

Pfc. Ronald Bunting, 22, former MSC student, was killed Feb. 10 in Vietnam, while on his first day of combat duty.

Enrolled as a physical education major, Private Bunting attended classes here for three semesters, from January, 1965, until May, 1966. He also attended summer sessions the last two years. He is the son of Mr. and Mrs. Kenneth Bunting, Rt. 4, Corning, Iowa.

Private Bunting entered the army Aug. 7, 1967. He received basic training at Ft. Benning, Ga., and advanced training at Ft. Polk, La. He left Jan. 14 for duty in Vietnam.

## Cheerleaders Receive Annual Awards

Ten MSC coeds were presented cheerleading awards at the half-time of the Bearcats' final basketball game last Saturday.

Mr. Ryland Milner, athletic director, made the presentation of the letters and trophies at the Kirksville game.

First-year letters went to Patricia Faubion, Chillicothe; Rose Mary Nicholas, Beverly Thompson, and Donna Woods, all of Kansas City. Cathy Pierce of Kansas City received her first-year letter on the varsity squad.

Second-year varsity squad awards were given to Cheri Jordan, Chillicothe; Kathy

given to Cheri Jordan, Chillicothe; Kathryn Seabaugh, Savannah; and Gloria Sherman, Maryville.

Co-captains of the MSC cheerleaders who received awards were Linda Snell, Kansas City, and Dottie Wilson, Chillicothe. They each received three-year awards, desk pens.

Also during half-time, the cheerleaders awarded this year's Spirit Trophy to Delta Sigma Phi fraternity.

Pictured above with their awards are Cathy Pierce, Rose Marie Nicholas, Cheri Jordan, Patty Faubion, Dottie Wilson, Bev Thompson, and Linda Snell.

## MSC Collegiate Radio Club 'Hams It Up' Over Airways

"CQCQ this is KOUDL, CQCQ this is KOUDL" is a typical call used by members of the Maryville Collegiate Radio Club at MSC, better known by its members as KOUDL.

Radio Club unit is located in the Industrial Arts building. The station, which has been in operation for 10 years, is equipped with two transmitters, a receiver, and an antenna.

Members of the club are given training in the operation of the equipment and work towards gaining their novice or general class licenses. Training includes code practice and work in electronics, which are necessary for future licenses beyond the novice class.

Mr. Donald Froelich, electronics and fluid and power mechanics instructor, is the club sponsor. Mr. Froelich, known over the air as WOKXJ, has taught at MSC for four years. He holds the Federal Communication Commission's general class license and is qualified to administer the novice license tests. In his home he has a ham radio unit.

Gary Bridgman and Mike Cesaretti, president and vice president, respectively, are the student leaders of the group. The organization meets at 7 p. m. every Thursday and during each session the members receive radio instruction.

Future plans for the club include getting a larger transmitter and a rotary antenna. These increased units will help in the transmission to foreign countries. As it is now, transmissions are "more or less limited to this hemisphere," Mr. Froelich said.

The club operates as a service group by helping students from far-away states contact their parents and relatives. They also have had a regular monthly schedule for calls to South America.

Recently the "hams" talked to a station in Worcester, Mass., which is only 40 miles from the home of one of the members. They have spoken also to various foreign countries.

According to Mr. Froelich, anyone interested may join the organization.

## Pi Omega Pi to Honor Outstanding Majors

Pi Omega Pi, honorary business education society, will hold its annual honors banquet at 6:30 p. m. Thursday in the Blue Room of the Student Union.

An award will be presented at that time to both the outstanding junior and the outstanding senior business education major. The senior award-winner will also have his name engraved on the awards plaque hanging in the business office.

The speaker for the banquet will be Harold Lynch, superintendent of the area vocational services of the Missouri Department of Education.

## New Role Described For Industrial Arts

The role of the American Industry Project in determining the course of Industrial Arts Education both on the secondary and the college levels was described by Dr. Wesley I. Face in a lecture given here last week.

Dr. Face, co-director of the American Industry Project and a member of the Stout State University faculty in Menomonie, Wis., spoke in the Charles Johnson Theater as a part of the Department of Industrial Arts and Technology's Distinguished Lecture Series.

Dr. Face stated that the program is attempting to change the system from teaching a few obsolete techniques and processes to a modern supplement to actual industrial methods. To do this, subjects such as marketing, management, and economics are being included as a part of the project.

The basic aims of the project, according to Dr. Face, are to develop an understanding of industry as it operates today, and to be able to transfer classroom knowledge to actual industrial processes.

Dr. Face went on to explain the problems now facing the industrial arts field in this country. He stated that the American Industry Project has developed ways to meet problems of more complex industrial processes, the loss of students to the trade and vocational schools, and the dropout problem among students who have a high potential in industrial fields. The main aim of the project, however, remains to give a basic education so that the student will be able to develop the power to think rationally.

Arrangement of the typical American Industry Curriculum would begin with an analysis of the present situation in American Industry. It would include topics such as industrial evolution, organization, and the future of industry. The program would be concluded on the secondary basis with an actual production situation in which the student would design, produce, and sell a product.

Currently, 21 schools throughout the United

States are engaged in the American Industry Program with curriculum directed by project members. These schools are including such innovations as machine instruction and team teaching as a part of the project.

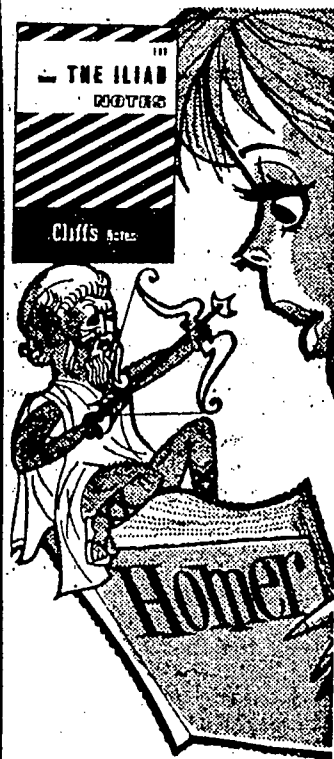

Dr. Face was introduced by Dr. Peter Jackson, who acted as master of ceremonies for the program. Dr. Jackson is acting as director of the Distinguished Lecture Series which will in following months, bring representatives from various fields of industrial arts to the campus, including a representative of the National Aeronautics and Space Administration, who will speak on the role of industry in the space program.

Mr. Gene Brightwell, State Supervisor and several MSC faculty members, as well as approximately 250 members of the student body attended the lecture.

## Society Notes

## Assistant Begins New Union Duties

Bob Brower, new assistant to the Student Union director, Mr. Bob Dickey, receives a phone call inquiring about room reservations in the Union.

Mr. Brower is a senior from Lakeview, Iowa, where he starred in basketball at Odebolt-Arthur High School. The secondary education major in English, with a coaching minor, played two years of basketball for MSC.

Besides his handling of room reservations, Brower is responsible for student employment in the Union, snack bar inventory and direction of the night supervisors. He is a Union veteran, having worked two years as an employee in the Student Union and as a Union Board committee member.

"I am very fortunate to have been appointed to this position," Brower commented. "I am interested in the student union administrative field, and this job will give me valuable experience in it."

## Jo Ann Voyce Reviews 'The Lockwood Concern'

JoAnn Voyce, president of the Book Club, reviewed "The Lockwood Concern" by John O'Hara, Feb. 15, at the first meeting of the semester.

"The book spans four generations of the Lockwood family of Swedish Haven, Pa.," explained Miss Voyce. "The Lockwoods were strong-willed, shrewd, and aggressive, and each generation gained over its predecessor in self-assurance and attractiveness," she stated. "The quality they lacked was the ability to love their fellow man."

Mr. O'Hara's concern is bigger than the fate of one family, the reviewer declared, because he deals with the vanity of human desires.

The next meeting of the club will be Mar. 21, when another student book review will be given by Larry Cox. Although members are mainly English majors, meetings are open to any interested students and faculty members. Book reviews are followed by informal discussions and a refreshment hour.

Club sponsors are Dr. Frank Grube, Dr. Charles Rivers, Mr. Virgil Albertini, and Mr. Craig Goad.

## Faculty, Students Hear IRA Council Discussion

Several MSC faculty and students Thursday evening listened to a panel discussion sponsored by the Northwest Missouri International Reading Association Council at Wells Library.

Members of this panel included Mr. Carl Spencer, Maryville, chairman; Mrs. Virginia Shain, Trenton; Miss Shirley Crump, St. Joseph, and Mrs. Pauline Arthur, Maryville. Mrs. George Hinshaw, Maryville, is the Northwest Missouri IRA Council president.

The panel discussed primary, intermediate, and upper elementary education materials and their effective use.

Following the discussion, the discussed materials were displayed.

## Delta Zeta Conducts Installation of Officers

Delta Zeta sorority held its installation of officers recently in the Chapter Room of Robert Hall.

Officers installed are Jan Wilkes, president; Nancy Watson, rush chairman; Jacki Oliphant, pledge trainer; Sarah Woodruff, recording secretary; Judy Burt, philanthropies; Karen Colton, treasurer; Paullette Moehring, assistant treasurer; Martha Waits, corresponding secretary.

The following chairmen have been selected: Rita Bissell, scholarship; Sherri Lyles, social; Linda Sams, courtesy; Kathy Hatfield, activities; Jan Ball, historian; Kathy Wharton, press; Rose Mary Cole, magazines; Susan Leiter, sorority education.

Also named to offices are Melanie Lott, parliamentarian; Helen Duncan, junior Panhellenic representative and recommendations; Jan Roberts, senior Panhellenic representative; Kay Reavis, song leader, and Gloria Hansen, standards chairman.

## Hudson Hall Council To Give Scholarships

Hudson Hall Dorm Council decided to provide two scholarships to qualified residents of Hudson at its Feb. 14 meeting.

The council made plans for allotting one \$100 scholarship and one \$150 scholarship. Mili Magner, treasurer, said the money would come from the unused dorm funds in the treasury. Girls will be judged on need, scholarship, activities, and their value as a resident of Hudson Hall.

Hudson Council also recently purchased two new color televisions and placed them in their recreation rooms for the girls to watch at their leisure.

The council, an elected body led by Mary Jansen, oversees many projects in Hudson Hall. Council members recently sponsored a queen candidate for the Winter Festival and also gave food, clothing, and gifts to four needy families at Christmas.

## Women Students to Present First Campus Bridal Show

Associated Women Students will present their first Bridal Show at 7:30 p. m. Mar. 18 in the Charles Johnson Theater.

Cheryl Crowley, co-chairman of the show, has stated that many ideas and suggestions which will be of interest to brides-to-be will be included in the show. The latest spring bridal fashions will be shown, along with several old bridal gowns and gowns worn by former brides on campus.

Mr. Harold Schmitz, a travel agent from St. Joseph, will speak on honeymoon locations, and Elsa Hart will speak on the selection of a diamond. Wedding cakes, floral arrangements, wedding photography, crystal, china, and silver will be on display in the building.

Co-chairmen for the event are Miss Crowley and Marilyn Weineke. Other committee members are Paulett Henkowsky, Roxy Holleman, Wanda Culver, Jo Anne Voyce, Ivana Griffin, Sue Bowser, Wendee Beam, Ann Lauber, and Meta Adams.

All students and faculty are invited to attend. Packets of information will be distributed and a drawing for a door prize will be held.

## Blue Key Names Allan Borkowski Man of Month

Allan Borkowski, senior from Audubon, Iowa, has been chosen as Blue Key Man of January in recognition of his wrestling accomplishments at MSC.

Borkowski, wrestling his first three years at MSC in the 191 pound class, is in the heavyweight division after gaining 30 pounds during the football season in order to meet the requirements of that class. Last year he won the Missouri Intercollegiate Athletic Association conference championship at 191 pounds and this year he has an outstanding 13-2 record.

Borkowski served as chairman for Religious Emphasis Week last year.

## Pi Gamma Mu Inducts 3 Junior Honorees

Pi Gamma Mu, national honorary social science fraternity, recently initiated three new members, according to Norma Tibbets, president.

Those initiated at the meeting were Robert Bintner, junior, Exira, Iowa; Richard Dean, junior, St. Joseph, and Anita Shewmaker, junior, Cosby.

Requirements for initiation into the fraternity include: at least junior status, 20 hours of social science, a 3.0 or higher grade point standing in the social science department, and an overall 3.0 grade average.

A reception for the new members was held at the close of the meeting.

A second induction ceremony will be held later this semester for students who qualify this year.

Mr. and Mrs. Robert Nagel are sponsors of the organization.

## College Music Department to Sponsor Concordia Choir Program Thursday

### Dean's List

(continued from Page 1)

Ann Madden, Marilyn K. Meyer, Carmen A. Moore, Julia L. Ramsel, Marilyn W. Rasmussen, Peter Richardson, William P. Rickabaugh, Robert L. Riley, Linda J. Sams, Roger B. Stucki, Martha Wilson, and Linda L. VanHoff.

Sophomores, Ruth A. Baum, Amy J. Bradfield, Everette H. Carroll, Hilda K. Daugherty, Robert H. Findley, Janis K. Fowler, Susan K. Goff, Barbara I. Hardy, Richard L. Jennings, Judy V. Jennings, Jimmy A. Jensen, Phylliss A. Longfellow, Lynn P. Manhart, Janice K. Moore, Christine M. Morris, Carol A. Nichols, Myra K. Norman, Cheryl R. Paulsen, Marilyn Reichenbacher, Marvin J. Slusher, Ronald E. Stone, Penny L. Taggart, Betty A. Thompson, Elaine R. Thompson, Glen E. Trullinger, Laverna K. Vulgamott, Mary E. Waldron, Gregory L. Watkins, Brad Willrich, and Susan S. White.

Freshmen, Louis J. Badeen, Allen W. Baker, Robert D. Bazan, Nancy M. Boyd, Mary A. Christopher, Mary K. Cole, Ronnie L. Ehlers, Sharon E.

The Concordia College Choir, Moorhead, Minn., will present a concert at 8 p. m. Thursday in the Charles Johnson Theater under the sponsorship of the Northwest Missouri State College department of music and the Union Board.

The majority of the 65-member group are of Scandinavian heritage as is the director, Dr. Paul J. Christiansen. Dr. Christiansen, head of the department of music, is the son of the renowned F. Melius Christiansen, arranger of the well-known hymn "Beautiful Savior."

Singing a cappella, the choir will present a program ranging from 16th century classics down through the Bach era to the contemporary masters. Their program will consist of "Cantate Comino," Heinrich

Schutz; "Requiem Mass," Gregorian Melodies; "Two Motets for Mixed Voices," Bernard Naylor; "Advent Motet," Gustav Schreck; "Whither Shall I Go," Arthur Campbell; "Ad Te Domine," Kenneth Gaburo.

"My Song in the Night," arr. by Paul Christiansen; "All Breaching Life," Johann Sebastian Bach; "Pilgrim's Chorus," Richard Wagner; "Concerto Di Voci," Carl Orff; "Prelude for Voices," William Schuman; "Exaltation," F. Melius Christiansen; "While Stars Their Vigil Keep," Morten Luvaas; and "Allegro (Doxology)," arr. F. Melius Christiansen.

All students and faculty are invited to attend.

### Plans Completed For Tower Dance

"Cobweb of Linked Thought" will be the theme of the annual Tower dance, scheduled for 8 to 12 p. m. Mar. 2, in the Union Ballroom.

Highlights of the evening will include crowning of the Tower queen, various announcements about this year's Tower, and tapping of new members for Embers, women's honor society.

The Companions, a local band, will provide music for dancing throughout the evening.

The dance is a presentation of the Union Program Council. Mary Asbell and Mike Miller are the overall chairmen. Subcommittees are headed by Toni Osburn and Mike Allen; decorations; Linda Snell and Linda Smith, publicity; Marilyn Chavannes and Linda Gill, refreshments; Kathie Maschke and Greg Walkup, arrangements.

Others assisting with plans for the dance are Gail Emerick, Connie Seuell, Lana Wulf, Cindy Wheeler, Donna Burns, Janet Wilson, Harriett Walden, Patty Cocking, Mark Hargens, and Gene Hogue.

Light refreshments will be served.

### PEM Club Seniors Win Plaque in Volleyball

With approximately 14 different teams competing in the double elimination tournament, the PEM Club seniors won the Volleyball Intramural plaque, under the leadership of Sandy Butler.

Hudson Hall's "We Ten," with Barb Dawson as their captain, won second place. Chris Webb and Janet Ranniger were in charge of the competition.

### Open Letter To Faculty...

Dialogue has asked in the past and, from time to time in the future will ask certain faculty or administrative personnel to come before its group to explain either their particular viewpoint on vital issues or to explain school policy.

It is sincerely hoped that these persons will understand Dialogue's reasoning in taking this action. Dialogue is composed of students interested in the furtherance of student-faculty-administration relationships. Rather than accept campus gossip relevant to various issues, the members of Dialogue prefer to confer with these people directly and get the correct information necessary to clarify these issues.

Dialogue sincerely appreciates the co-operation which it has received from the faculty and administration of this college and hopes that this understanding will continue in the future.

—Susan Shew, vice president

### Band to Tour, Present Concert

The Concert Band, under the direction of Mr. Lance Boyd, will present a concert at 3 p. m. Sunday, Mar. 3, in the Charles Johnson Theater.

The band will present the same program that will be given on their three-day tour of Northwest Missouri. This tour will include the high schools at Gallatin, King City, Hamilton, Liberty, Platte City, and Christian Brothers High School, St. Joseph, on Mar. 4-6.

The program to be given consists of "Fanfare for the Common Man," Aaron Copland; "Festival," Clifton Williams; "Viva Vivaldi," Joseph Willcox Jenkins; "Chant and Jubilo," Francis McBeth; "Hands Across The Sea," John Phillip Sousa; "Born Free," written by John Barry, arranged by Fredrick Miller; "Introduction to Third Act of Lohengrin" written by Richard Wagner and arranged by George Drumm; "Estampie," Vaclav Nelhybel; "Symphonic Prelude," Alfred Reed, and "Lyric Dance," Frank Benicuccio.

## AKL Combines Service With Social Program

### AKL Brings Joy to Others

While many people think of a fraternity as entirely a socially minded organization, Alpha Kappa Lambda disproves this theory with its various service projects that extend to campus and community activities.

According to Jerry Patee, president of Alpha Kappa Lambda and Inter-fraternity Council, some of the group's community activities include a banquet given for the Kiwanis Club, in the new cafeteria, a needy family basket provided for a Nodaway County family through service funds, a cerebral palsy fund raising drive, and a money-making farm and yard help project, including the removal of snow from sidewalks around the area. One of the more recent annual projects was the Christmas party for the teachers and special education children at Horace Mann.

Campus activities may be annual or voluntary projects. These include such activities as: sponsoring a Christmas Queen; participating fully in Homecoming events, which this year earned AKL the Supremacy Trophy with their first place float, second place in overall parade competition, and third place skit; ushering at spring graduation; helping with registration and freshman orientation; serving food during band contests, and serving on the committee for Religious Emphasis Week.

Patee said that this year's

### Delta Zeta Conducts Installation of Officers

Delta Zeta sorority recently conducted its installation of officers in the Delta Zeta Chapter Room.

Officers installed were Jan Wilkes, president; Nancy Watson, rush chairman; Jacki Oliphant, pledge trainer; Sarah Woodruff, recording secretary; Martha Waits, corresponding secretary; Sherrie Lyles, social chairman; Karen Colton, treasurer, and Kathy Wharton, lamp and press chairman.

Attending a party at the State training Center No. 26 by Alpha Kappa Lambda and their newly organized auxiliary, Kallay Filicean, are Esther Groesbeck, president of the auxiliary; Jerry Fischer, fraternity chairman of the third annual event; Mrs. Willis Dowden, director of the training center, and Jerry Patee, AKL president, shown with a happy student.

major voluntary campus project was the placement of litter baskets on campus. The fraternity also assists with the High School Community Ambassadors, which is one of the programs planned to make MSC better known to prospective freshman students from area high schools.

The AKL organization, chartered in April, 1963, is second among the fraternities scholastically. It has received three of the National Executive Council Awards given the past five years to the six top chapters, in the United States, and the Chapter Improvement Award, which is awarded at the National Conclave to only one chapter every two years.

Recently formed, the "Killay Felleans" is a women's auxil-

iary organization affiliated with Alpha Kappa Lambda. This new group, led by Esther Grossbeck, president, assists primarily with social activities.

The fraternity's men helped build their own house and all work to maintain it internally. One of the men acts as steward, and they do their own "KP." Mrs. Clara Peterson is housemother; Wayne Rasmussen, vice-president; Mike Abildtrup, recording secretary, and Lyle Stone, treasurer.

### Alpha Meeting Changed

The next meeting of Alpha Beta Alpha, the organization for library science majors and minors, has been changed to 7 p. m. Thursday in the library auditorium.

## THE STROLLER

Students in one 8 a. m. English 12 section felt as though they had traipsed all over Colden Hall, from first to third floor, on the first day of class. Since the assigned room turned out to be offices, the class is now being held in the Faculty Lounge.

Students and instructors are again trying to settle down. Lines at the Registrar's Office were long, as students dropped and added classes. Instructors are struggling to figure out class rolls and set up office hours . . . if they can find some spare time.

With the standards of dress at MSC being quite high, the old Stroller pitted the judges of the Best Dressed Coed Contest. But they did get to interview all the contestants. Quite a pleasant task!

When the move into the new mathematics and science building is completed, it will seem like miles to the students who stroll that far to classes. Every step counts, especially in cold weather!

### Changes on Deck For Wells Library

Recent improvements and new equipment, are effecting changes at Wells Library.

Recently acquired is another microfilm reader which has a larger screen than the present one, thus allowing many things to be presented in their entirety; for example, a whole page of newspaper compared to one-fourth page previously displayed.

A triple-point project is reaching its finishing stage: The area for stacks is ready for stacks to be moved in. New heating and air conditioning units have been installed. Later new furniture, equipment, and intercom phones will be added.

Valentine's Day brought all sorts of candy and flowers into the dorms. The old Stroller could view flowers arriving at almost any time of the day. Many girls made Valentine cakes for their guys as a way to show appreciation and affection.

Don't forget Walk-out Day!

Open rush found rushees meeting themselves coming and going. Several rushees were embarrassed to be caught in the company of girls from one sorority while still another sorority had girls waiting to take them to a party. Joyous confusion!

Reward: Ten silver beads for any information leading to the capture of the SQUAW-MAN of MSC.

Signed: Red Cloud  
Des Moines, Iowa 50311

### Agriculture Teams Compete in West

The livestock and dairy judging teams recently competed in judging contests at the National Western Stock Show in Denver and the Southwest Exposition in Fort Worth.

The dairy team, coached by Dr. Dennis Padgett, placed third in the Jersey division and sixth in the contest held at Fort Worth. Charles Gach was second high individual in the Jersey breed evaluation. Other dairy team members were Richard Flowers and Carl Heck.

In livestock judging competition, teams coached by Mr. F. B. Houghton placed fourth at the National Western Stock Show. In hog judging, Mike Loftin was fourth high individual among 35 contestants from seven colleges and universities. Team members in addition to Loftin were Don Daggett, Richard Jennings, Gary Hull, and Jim Cox.

## Union Board Invites Students To Participate in Open Meeting

The Union Board will hold a business meeting which will be open to all students on campus at 6 p. m., Feb. 29 in Room 213, Colden Hall.

Following the business session, questions will be answered by individual program committee members. Chairmen will offer explanations of the function of the program council and of events in the past and future.

Anyone interested in becoming a member of the Union Board should fill out the following application and submit it after the meeting. John Price, president, stated that there is always need for new members, and almost every application is accepted.

Any student who wishes to serve on a Union Board committee should fill out the application below and return it to Bob Dickey, second floor of the J. W. Jones Union.

## Put Campus Mail in Campus Boxes

Students and faculty of MSC have been asked to place campus mail only in mail boxes marked for such purposes.

According to employees in the mail room, second floor of the Administration Building, many students and faculty members have been placing campus mail in United States mail boxes. When campus mail goes through the post office and is canceled, the addressee will have to pay the postage even though it was originally intended to be campus mail.

Mr. Richard Beeson, who de-

livers mail on campus, has pointed out that campus mail deposits are located in each of the residence halls and in the Administration Building. Missourian readers are also reminded that campus mail does not require any postage, as long as a Federal mail box is not used.

For outgoing mail, students and faculty members may purchase stamps in the college mail room, and a few stamps may be purchased in the book store.

## 'Walk, Don't Run' Film Replaces 'Torn Curtain'

Because of technical difficulties, "Torn Curtain," the den movie scheduled for tonight has been cancelled.

In its place, "Walk, Don't Run" will be shown at 7 p. m. Saturday in the Administration Building Auditorium. The movie, starring Cary Grant and Jim Hutton is a new release and a first run for colleges in this area.

## In Area Colleges ...

### Mock Election ... Noted Entertainers ... Offer of Summer Work Abroad ...

This week House Minority Leader Gerald Ford (R-Mich.) will be the keynote speaker for the annual Mock Political Convention at the University of Missouri.

A key student figure in this project is Bob Bosch, former MSC student.

Recently at Stephens College, the Arts Division featured the television personality, Betty White, and Val Patacchi, noted musician, in the Rogers and Hammerstein musical, "The King and I."

Students interested in work in Europe this summer should write to Dept. VI American Student Information Service, 22 Avenue de la Giberte, Luxembourg City, Grand Duchy of Luxembourg, for the ASIS booklet, according to reports in several area college papers.

There are 20,000 jobs open in Great Britain, France, Germany, Switzerland, Italy, Spain, Sweden, Finland, Norway, Luxembourg, Belgium, Holland, Austria, Israel, and Liechtenstein. These openings include work in hotels, offices, factories, hospitals, child care, ship work, construction, farm work, sales work, and camp counseling.

## Ambassadors Plan Trips to Japan, Chile

## Students Heed International Call

Fred Beavers, Linda Sams, Michael Miller, and Pat Shrader, College Ambassadors and their alternates, review suggestions sent about the summer program of the Experiment in International Living.

Linda Sams, Excelsior Springs, and Michael Miller, Maryville, have been named ambassadors in the Experiment in International Living

program. Miss Sams, a junior Spanish major, will travel to Chile. She

is a member of Delta Zeta sorority and is president of People to People. Linda is also a member of Alpha Mu Gamma, national honorary foreign language fraternity, and SNEA. The secretary of Dialogue, Linda has an overall gradepoint average of 3.6.

Michael Miller, ambassador to Japan, is a member of Phi Sigma Epsilon fraternity. Mike, who had a lead part in Carousel, is a music major. He is also a member of the Tower staff.

Alternate for Miss Sams is Fred Beavers, co-managing editor of the Missourian. Fred is an English major and a business minor and is eligible for membership in Alpha Mu Gamma.

Alternate for Mike is Patricia Shrader, Riverside, Iowa, who is a member of Delta Zeta sorority, SNEA, AHEA, and vice president of People to People.

Under the supervision of Karen Licklider, dean of women, the representatives were chosen after an interview and discussion by a committee of 15 members from Union Board, Senate, faculty, and former ambassadors.

The ambassadors were selected on academic record, language speaking ability, personality, appearance, desire to learn about their choice of country, and references.

The eight-week summer experiment, a third annual program for MSC this year, is sponsored and paid for by the college. Last year, Jo Ann Montgomery, St. Joseph, traveled to Switzerland and Robert Foster III, Maryville, went to Holland.

## Underclassman Appraises:

### 'Opportunities on Campus'

For any person who dares to seek an education, Northwest Missouri State College has a challenge and an answer.

More and more persons are transferring to this campus. The opportunities that await these students are numerous. Each department has its own planned programs to fulfill the desires and requirements for the students on this campus. The foreign language, music, agriculture, science, and athletic departments are among those which sponsor tours and study trips for prospective students.

The college, in its search for new educational opportunities, never stops growing. The completed Fine Arts and new Science buildings are examples of how leaders of this college want to accommodate more persons.

Although MSC is constantly expanding, this expansion never endangers her original beauty. The college pond, bridge, and trees make this one of the most beautiful campuses in the state.

The students here take pride in their campus, a pride which could account for the friendly atmosphere that greets the new student when he arrives. Most returning enrollees are eager to help a newcomer.

Social needs are also met by the college. A Union Board has been established, and with support from the student body, it will continue to offer movies, lectures, dances, and other features.

There can be only one prediction made about Northwest Missouri State College. ... The prediction that forecasts its continuing dynamic growth.—Carol Leeper

## Dr. Quinn Talks to PTA

Dr. Richard Quinn, chairman of the department of psychology, was the speaker at a recent Eugene Field PTA meeting.

Dr. Quinn discussed "Child Development and Mental Health as it Concerns the Coincidence of Disturbance in Children with Emotional Illness."

## For Men Only ... 'It's Coeds' Year'

The following data is presented for males only: Remember this in another leap year.

In 46 B. C. when the lunar calendar was changed to a solar one, Julius Caesar did girls a favor by creating a period called the leap year. Where originated the custom that in this year the woman could take the initiative and propose marriage to a man is unknown; and if the girls should know its origin, they never tell.

But here is a small consolation for the men of this country, for America truly is the "land of the free." In Scotland a law was passed in 1288 stating that the man must either accept the woman's marriage proposal on leap year or pay a fine. At various times similar laws have been passed in other European countries. In America men are on their own.

This final word of warning is offered, however. A survey recently taken among the women in the residence halls revealed that although they may not be aware of everything that is taking place on campus, they do know that this is their year.

—Denise Hammer

## Delta Sigma Phi Soaks Spirit

Dottie Wilson, left, and Linda Snell, co-captains of the cheerleaders, present to Ron Kornfeind, social chairman of Delta Sigma Phi, the spirit trophy for his fraternity in recognition of its all-out support of the Bearcats during the basketball season.

## 9 Men Report For Golf Team

Coach Ryland Milner has reported that nine boys have signed up for the golfing team.

The golfers include Denny Hackett, Ron Hurst, Michael Lorimer, Larry Maiorano, Donald Stills, Jon Vest, James Williams, Charles Wurst, and Scott Shock. The Lorimer is the only returning letterman.

Coach Milner has pointed out the success of the squad will depend upon the progress of the first year men.

Coach Milner also pointed out that anyone wishing to sign up for the team should do so immediately.

## 'Cat's-Eye-View

By Tom Brick

David Easterla, renowned field biologist at MSC, has become a deft and avid athlete.

Mr. Easterla, a graduate of Old Mizzou, participated actively in intramural basketball, varsity wrestling, and track his senior year and played for the Hulan Lakers, a town team, while at Columbia.

In addition to his teaching duties at MSC, Mr. Easterla is quite active in intramural and town team basketball.

Much to our dismay, the Northeast Missouri Bulldogs

managed to squeak by the Bearcats in an exciting, double overtime game last weekend in Lamkin Gymnasium.

Our hopes of defeating Northeast in basketball as we did in football last fall were kept alive by Ron Petersen's last second accuracy at the end of regulation play and the first overtime, but they were shattered in the final overtime by an 11-point margin that Kirkville gained.

Again the MSC track squad is starting its yearly training process for the many upcoming meets.

By combining speed and depth, the Bearcats should be extremely strong in the track events this year. Depth in the field events, however, is somewhat less, but with the spirit and support MSC is capable of giving, the season should be quite successful.

## MSC Wrestlers Defeat Nebraska

Al Borkowski pinned his opponent in the final match of the meet to provide the Bearcats with an 18-17 victory over the University of Nebraska last Saturday night.

The Bearcats went into the final match trailing 17-13 and had to have a pin by Borkowski for the victory. A decision would have been useless, but Borkowski overpowered Gene Libal for his pin.

Although he lost his match, 6-0, to Harry Gaylor, Keith Burge gave the Bearcats their chance for a victory.

Going into the final two matches, the 'Cats trailed 14-13 with Burge wrestling in the next to last match. He suffered a serious knee injury early in the match but wrestled out the clock in a losing cause to prevent losing the five team points that a default would have cost and gave Borkowski his chance.

The Bearcats began to rack up points as Wayne Garcia, 130, decisively Keith Hasselquist 5-4, Stan Zeamer, 137, gained a forfeit, and Paul Stehman, 145, turned in a strong effort to pin Dennis Dobson.

# Ronald Peterson Plays Key Role As Bearcats Complete Season

By Joe Fleming

Lamkin Gymnasium was the scene Saturday night as the Kirkville Bulldogs downed MSC in the final and most exciting basketball game of the season.

The final score, 88-77, was the largest margin separating the two teams, and it took seven charity shots by Mike McPherson of NEMSC in the second overtime to spell the difference.

Paul Ozug, 6-4, and Ken McBride, 5-10, both University of Houston transfer students, hit for 26 points each to lead the visitors.

The standout performer for the Bearcats was Ron Petersen, who snatched his team from the jaws of defeat twice in the final seconds of two periods to send

the game into a double overtime. Before fouling out with four minutes remaining in the second overtime, he popped in 26 points and hauled down 29 rebounds, top for both teams.

Maryville was plagued by periods of cold shooting, but compensated by tremendous hustle, fast breaks, and an aggressive defense to stay within range of the 'Dogs, who shot at a 41.3 clip.

Kirkville took the lead with nine minutes showing on the clock in the first half and never relinquished it until seven

minutes deep in the second half. The Bulldogs employed a full court press during most of the game, but the 'Cats were able to thwart their efforts to trail by only two, 31-29, at half-time.

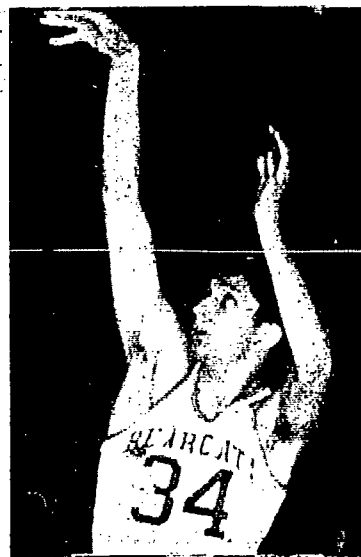

In a period of 47 seconds Petersen pumped in six points. With MSC down 69-65 and only 20 seconds remaining in the game, he tipped in two to narrow the margin. Kirkville called time out with 15 seconds left to plot its strategy. When play resumed, Gary Howren made a nifty steal, then dribbled the length of the court to shoot at :03. His attempt missed the mark, but 'Pete' hit the cords with a tip-in at the buzzer to give the 'Cats a reprieve, 69-69.

## Sears Keys Action On Basketball Court

The 1967-68 Bearcat basketball season has come and gone, but even brighter days are expected for 6-4 starting forward Don Sears.

Sears, who is a graduate from Roosevelt High School, Des Moines, Iowa, has displayed the type of basketball action that is rapidly improving the Bearcat style of play.

"Don has progressed very

Don Sears

rapidly in his college career, especially through his sophomore year, with full dedication on his part. He has the possibilities of becoming a very fine basketball player; however, we feel many of the things he does are taken for granted," Coach Buckridge said.

Sears, who led the 'Cats' in total points (280), total point average (14 per game), and free throws (46 of 60 attempted), also has the honor of being leading rebounder in the conference (284). He also was the ninth leading scorer in the conference, had the eighth leading field goal percentage (.440), and the second leading free throw percentage (.767) in the conference at press time.

"It is an honor for a sophomore to rate high in all of these special categories," Coach Buckridge said.

Coach Buckridge also pointed out, "I am looking forward to a very successful season next year with Sears back and a long line of seasoned veterans returning, including Gary Goodson, Ralph Gifford, and Ron Petersen. Also back for next year's competition will be seniors Ken Sheridan and Roger Nelson and freshmen Darnell Moore and Tom Moore."

With 24 seconds remaining in the first overtime, Kirkville possessed the ball and a two-point lead, 73-71. They began a stall to run out the clock, but Don Sears had other plans for the outcome. He swiped the ball, passed to Gary Howren, downcourt, and history repeated itself. Petersen tipped in his errant shot with :03 remaining to the delight of the enthusiastic crowd.

In the second overtime, Kirkville pulled to an early two-point lead and tightened its defense, which Maryville was unable to penetrate. The pressure of trying to regain possession of the ball caused the home team to draw seven personal fouls, and the Bulldogs canned nine for tallies and the winning margin.

The visitors capitalized on hot shooting at the free throw line to subdue the 'Cats, converting 26 of 30, while the best the latter could muster was 13 of 22. MSC had a slight edge in rebounding, 65-57.

Senior Bob Nelson, playing his final game for MSC, ended a brilliant career by making eight key points.

Other scorers for Maryville were Howren with 14; Gary Goodson, 11; Don Sears, 8; Roger Nelson, 4, and Ken Sheridan, Ralph Gifford, and Tom Moore, 2 each.

## S, M State Tournaments Begin Monday Evening

Monday night marks the beginning of the Class S and M state high school basketball tournaments.

At 7 p. m., the winner of the class S Regional being held in Lamkin Gymnasium this week, will tangle with the winner of the Lathrop class S Regional in the first round of state action. Victors of the class M Regional at Savannah and Kearney will clash at 8 p. m.

According to Dr. Burton Richey, chairman of the physical education department, this is the fifth year that Northwest Missouri State College has been the site for a portion of the state tournaments. He also commented that this is the fourth year that MSC has been host to the class S Regional.

Second round state competition will be held at Warrensburg and the final rounds will be held at Columbia.
